Introduction

- Diploma Programme in Education Leadership and Management consists of nine online courses, which can be completed alongside full-time work.
- You can choose from one up to nine courses of your own choice and interest.
- The programme offers you a solid understanding of the most accurate and significant topics in education leadership and management today. It will provide you an opportunity to develop your professional competence and advance in the highly competitive labour market.
- Experience the comfort of online learning, studying at your own pace, time and location.
- Ensure your career growth with the state-of-the-art programme, tailored for education management and leaders.
- Each course includes opportunities for individual and group tutoring to meet your needs with real-time interaction.

Programme Content

The International Diploma Programme in Education Leadership and Management has a topical, modern content, which combines the significant theoretical knowledge to real-life situations and active learning methods. The pedagogical approach in the Diploma Programme is engaging, meaningful and relevant to your career.

Programme Structure

The Research-based Diploma Programme entails nine online courses. Courses contain lectures, assignments and topic-related personal or team development projects relevant to your professional development. Each course lasts for two months and equals to 40 hours of study.

Themes

THEME 1

Leadership and Management in the 21st century

- 1) Organisational Management and Leadership
- 2) Pedagogical Leadership
- 3) Philosophy and Ethics in Leadership
- 4) The Power of Positive Leadership

THEME 2

Successful Leadership and Management in Education

- 5) Tools for a Successful Leader
- 6) Quality Management
- 7) Management by Development and Change

THEME 3

Educational Management and Administration

- 8) 21st Century Learning, Curriculum Design and Implementation
- 9) Wellbeing, Competences and Inclusive Working culture

In a **Personal Development Project** you produce an individual project, a topical issue regarding your own work and career, using the theoretical and practical knowledge learnt during a course. A Personal Development Project is included into some courses only.

A **Team Project** is an assignment where you work collaboratively in small teams on a real-life challenge, significant in your future work during a course.
