TEACHER TRAINING SCHOOL

UNIVERSITY OF OULU
FINLAND

Our mission

We are a research-, experiment- and development-based learning community, that organises basic and upper secondary education and guided teacher training. Furthermore, we are a well-known and a highly considered expert in the field of education and in-service training.

A caring learning community

Besides offering basic and upper secondary education and student teacher training, the school is promoting research-based perspective towards teaching, enhancing also developmental experiments. Currently, inclusive education and student well-being are the most topical pedagogical development areas.
