## Introduction

- Professional Learning in Education Leadership and Management consists of six online courses, which can be completed alongside full-time work.
- You can choose from one up to six courses of your own choice and interest.
- The programme offers you a solid understanding of the most accurate and significant topics in education leadership and management today. It will provide you an opportunity to develop your professional competence and advance in the highly competitive labour market.
- Experience the comfort of online learning, studying at your own pace, time and location.
- Ensure your career growth with the state-of-the-art programme, tailored for education management and leaders.
- Each course includes opportunities for individual and group assignments to exchange your views with your colleagues.

## Programme Content

The International Professional Learning in Education Leadership and Management has a topical, modern content, which combines the significant theoretical knowledge to real-life situations and active learning methods. The pedagogical approach is engaging, meaningful and relevant to your career.

# Programme Structure

The Research-based Programme entails six online courses. Courses contain lectures, assignments and topic-related development projects relevant to your professional development. Each course lasts for two months and equals to 40 hours of study.

## Courses

- 1 Organisational Management and Leadership**
- 2 Pedagogical Leadership**
- 3 Philosophy and Ethics in Leadership**
- 4 The Power of Positive Leadership**
- 5 Management by Development and Change**
- 6 21st Century Learning, Curriculum Design and Implementation**

In a **Personal Development Project** you produce an individual project, a topical issue regarding your own work and career, using the theoretical and practical knowledge learnt during a course.

A **Team Project** is an assignment where you work collaboratively with your local team on a real-life challenge, significant in your current and future work.

## To Whom?

The top-quality, yet flexible Professional Learning in Education Leadership and Management is a perfect career boost for anyone working in or aiming to pursue a career in the leadership and management positions in education.

### Entry Requirements:
